

CollaborateX

Academic Collaboration Platform

"Connect, Collaborate, Create"

CollaborateX is a web-based platform designed to connect students and academic staff, enabling seamless communication, resource sharing and project collaboration in one centralized space.

Empowering Students.
Building Connections.
Creating Success.

PROBLEM STATEMENT

- ✗ Poor communication among students and academic staff
- ✗ Limited collaboration opportunities
- ✗ Resources are scattered across multiple platforms
- ✗ Difficult to coordinate projects effectively
- ✗ No centralized platform tailored for academic collaboration

PROJECT OBJECTIVES

- ✓ Develop a centralized academic collaboration platform
- ✓ Improve communication and interaction
- ✓ Enable easy sharing of resources
- ✓ Support student projects and teamwork
- ✓ Encourage discussions and knowledge exchange
- ✓ Provide an intuitive and responsive user experience

TECHNOLOGIES USED

- HTML5
- CSS3
- JavaScript
- Git
- GitHub
- Font Awesome
- Google Fonts

BENEFITS

- ✓ Better communication
- ✓ Easier collaboration
- ✓ Centralized resource sharing
- ✓ Improved productivity
- ✓ Professional and modern user experience

CHALLENGES

- ⚠ Building a fully responsive interface
- ⚠ Ensuring design consistency across pages
- ⚠ Creating intuitive navigation
- ⚠ Improving overall usability

TESTING RESULTS

- Navigation Test **PASS**
- Responsiveness Test **PASS**
- Browser Compatibility **PASS**
- UI Layout Test **PASS**

FUTURE IMPROVEMENTS

- ★ User authentication
- ★ User dashboards
- ★ AI chatbot integration
- ★ Real-time notifications
- ★ File uploads and sharing
- ★ Private messaging
