

CollaborateX User Manual

Introduction

CollaborateX is an academic collaboration platform that enables students and lecturers to collaborate, access resources, and communicate.

Getting Started

- Open the CollaborateX website.
- Use the navigation menu.
- Select the desired page.
- Browse the available features.

Platform Navigation

- Home
- About
- Resources
- Projects
- Forums
- Contact

Using Features

- Projects: View collaborative projects.
- Forums: Participate in discussions.
- Resources: Access study materials.
- Contact: Submit enquiries or feedback.

Troubleshooting & FAQs

- Refresh the page if it does not load.
- Check your internet connection.
- Use an updated web browser.
- Contact support if problems persist.
